

Infrastructure Services - Metro

Rail Recruitment Specialists

Wynnwith Rail's Infrastructure division has been meeting the recruitment and project support needs of the industry for many years and possesses an unparalleled knowledge and capability to deliver high volume, cost effective staffing solutions. Our dedicated Metro delivery team works closely with our clients to ensure timely and trouble free delivery of their contracts. Our current client base includes many of the leading specialists in this sector – Atkins, Balfour Beatty Group, Grant Rail, and Tube Lines Limited. These clients benefit from our client focused capability and delivery model.

Service Delivery

The Metro delivery team works closely with our clients to ensure the timely and cost efficient delivery of their contracts. The delivery model is underpinned by a robust set of internal processes housed within our ISO Total Quality Management programme. The team is supported by the Wynnwith in-house compliance team who administer our competency management systems in strict accordance with QUENSH regulations; this is in addition to the input from our internal Health & Safety department.

Dedicated Support

The Wynnwith Group is recognised as a leading provider of world class recruitment solutions in the UK and International Engineering sectors. With more than 35 years experience of supplying both volume-based corporate business and niche skill requirements, we have a reputation for fulfilling the resource needs of our client base. Our Metro delivery team provides skilled personnel throughout the industry to Civil and Construction, Mechanical & Electrical, Protection, Signalling and Telecommunications, Track and Permanent Way. Our capability extends across a wide range of skills including General Labour, Protection, Trades and Supervisory.
